

# INORE@

# AORES

## 19-22 NOVEMBER 2018

Indian Ocean Marine  
Research Centre, UWA

### WHAT?

The International Network on Offshore Renewable Energy (INORE) is putting on a few events at the 2018 Australian Ocean Renewable Energy Symposium.

**YOU** are invited.

### WHY?

We believe ocean renewable energy will help power our future. To create this future, we bring together us young people to share knowledge, stories and experiences.

### WHAT'S INCLUDED?

- Free social event, with dinner & drinks – 19 Nov
- AORES Poster session – 20 Nov
- Free stand-up paddle boarding activity – 20 Nov

### HOW TO REGISTER?

To participate in the AORES Poster Session, you have to be registered to attend AORES (\$325/375 student/non-student). If you haven't already registered for AORES, click [here](#). **Deadline: Aug 31.**

To register for the INORE social event and fun activity, click [here](#).

**Deadline: Sep 30.**

Once you register, you will soon receive an information pack with details about the dinner, poster session, and fun activity.
